## COLLEGE PREP ELEMENTARY SCHOOL

Hello EAGLE friend:

Laveen's newest charter school, EAGLE College Prep, has enjoyed great success in our first three years! EAGLE achieves high academic standards with a unique emphasis on character. In addition to recently being graded a *Highly Performing* school by State of Arizona, EAGLE is currently a finalist for Arizona's Charter School of the Year! We were pleased to see one of our organizational goals come to life in the opening of our sister school this year, EAGLE Harmony.

As you may already know, public schools (including charter public schools) need to have a Board of Directors comprised of parents, community members and local business leaders who oversee the school policies and procedures. We currently have one opening on the Governing Board. This position serves a two-year term. The Board meets 5:00-7:00 P.M. on the third Tuesday of each month.

Attached is an interest form. If you would like to be considered to fill this important position, please complete the form and return it in person, by email or fax.

Thank you for considering this great opportunity to make an educational difference in our community!

Sincerely,

Jeff Gunn  
Governing Board Chairperson  
EAGLE College Preparatory School
